## All About Me

**8th Grade Technology Teacher @ Murdock Middle School**

## All About Me Mrs. Carboni

### My Family

I live in Port Charlotte with my husband David.

My mother is one of our neighbors.

We had a cat named Tippy and she died in 2003. :(

We had a dog named Yoda and she died on May 1, 2007:(

We will hopefully be getting another dog soon. :)

### A Day in the Life of Mrs. Carboni

My life is busy trying to make sure my students learn many new and exciting programs in Tech.

My most embarrassing moment well, there have been some but we'll talk later :)

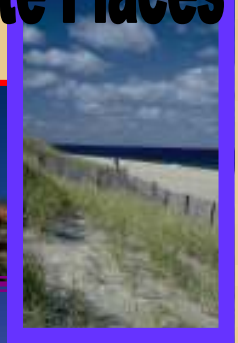

My favorite television shows are Project Runway or Top Chef. I love to see what they are going to create. I also like to watch comedy shows.

My favorite books are Freak the Mighty, Hatchet, and Clan of the Cave Bear.

My favorite authors are Rodman Philbrick, Gary Paulsen, and Jean M. Auel.

If I could go anywhere in the world, I would visit Italy again and stay longer with my relatives that live there. Then I would travel to Cape Cod, Massachusetts and enjoy the Atlantic Ocean. I am from New England, specifically Rhode Island, so I like to go back and visit my family and friends.
